

Birthday Party Terms and Conditions:

- Birthday packages are only available for children up to 14 years old, with a minimum of eight children per party.
- Funky Pots birthday parties are bookable every day that the studio is open. You can choose from a range of fixed times at the weekend: on Saturdays you can start your party at either 10:00am, 12:30pm, or 3:00pm. Parties start on Sundays at 11:00am and 1:30pm.
- Parties usually last between 1 hour 15 minutes and 2 hours depending on the age of the children and whether they have food.
- We request that at least one supervising adult is present with the children at all times. We will allow seating space for the supervising adult, but we can only guarantee seating for a maximum of two adults with a party of children.
- Birthday parties will be held in our studio. Please be mindful that there will be other customers in the vicinity who are also enjoying the Funky Pots experience.
- Please call us to secure your booking – a deposit of £35.00 will be required. If the birthday party is cancelled within 4 weeks of the booking date, then the deposit will be forfeit. We ask you to pay the outstanding balance on the day of the party.
- We can provide the children with lunch boxes (£3.20 per child) or you can bring your own food to the party (in this case we charge 50p per child to cover the cost of cleaning up after the party).
- If any items within your chosen party range are out of stock, then we will replace them with an item of similar value (and we reserve the right to do this without prior notice).
- Funky Pots is extremely careful with your masterpieces, but on rare occasions something unfortunate might happen. Any items that get broken or lost while still in our care will be replaced with a voucher to paint the item on a different occasion.
